A big thank you to everyone who joined us for Riviera Family Day on June 7th, and to all the sponsors who made it possible. Special thanks to Riviera Club and Riviera Social Club for their collaboration. We are especially grateful to Morgan and Shirley for their hard work, as well as to the children from our community for their wonderful performances, and to Ninth Movement Music School for the amazing show. Thank you all for creating such a joyful, laughter-filled memory.

FAMILY DAY 2026 AT RIVIERA – A GREAT DAY FOR THE WHOLE COMMUNITY

On June 7th, Beijing Riviera Country Club and Riviera Social Club joined forces to host the very first Riviera Family Day, creating a vibrant afternoon filled with community spirit and shared joy.

The event came alive with lively performances by the 9th movement International Music Center, a delightful Children's Talent Showcase, and an energetic band singing performance. A DJ kept the energy high and the atmosphere buzzing, getting everyone in the party mood. Kids enjoyed endless fun at the popular Jumpy Castle and a variety of classic children's games, while delicious offerings from multiple food stalls kept families refreshed throughout the festivities.

All of this made the day a wonderful success—strengthening community bonds and creating lasting memories for all Riviera families.

SPLASH OF FUN: CHILDREN'S SWIMMING OPEN CHAMPIONSHIPS AT RIVIERA CLUB

On June 13, the Riviera Club Fitness Center made waves with its Children's Swimming Open Championships — a thrilling day of racing, teamwork, and unforgettable smiles for swimmers under 12.

Young athletes powered through freestyle and breaststroke events, showing off both speed and grit. But the real crowd-pleasers came in the relays: the children's team relay sparked pure energy, and the family relay added a heartfelt highlight as parents and kids dove in together, side by side.

Beyond the medals, the championships celebrated courage, sportsmanship, and the simple joy of moving in the water. A huge round of applause to every young swimmer who jumped in with enthusiasm — you made a splash in more ways than one!

Congratulations to all the little winners!

HEARTFELT THANKS FROM A FINNISH FAMILY OF FIVE TO THE BEIJING RIVIERA

Twenty-one years ago we arrived in Beijing – full of wonder, curiosity and a touch of uncertainty about the future. The Beijing Riviera quickly transformed from a mere address into our beloved home – a cozy sanctuary on the edge of a bustling city where our children grew up and flourished.

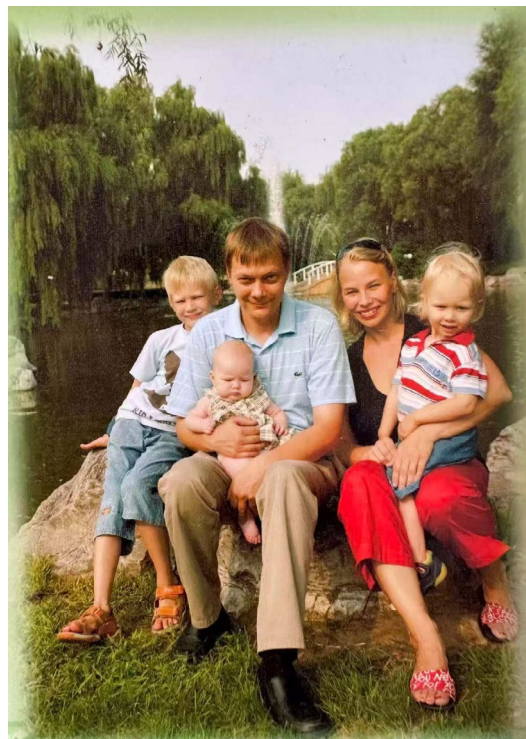

We fondly recall the gentle rhythm of those days: cycling through scenic areas, safe playgrounds, summer barbecues with friends and neighbours from all over the world and peaceful evenings when the quiet laughter of the clubhouse carried into the gardens. Those gardens bore witness to lifelong friendships made in skate parks and at the swimming pool. Our children were grateful to be surrounded by such a welcoming and safe community, full of people who constantly looked after one another.

Now that our children are adults, our hearts are still deeply connected to the Riviera years – to the warm community, the caring staff, and the comforting sense of security and belonging that helped shape our family's story. We are sincerely grateful for the long-term support for our family, every kind smile, and the shared moments that made that time so meaningful.

Thank you, Beijing Riviera, for offering us more than just a home – you gave us a lifetime of precious memories. Wherever life takes us, a piece of you will stay with us.

With love,

Katja and Arto, Iiro, Casper and Julia

CELEBRATING THE DRAGON BOAT FESTIVAL AT RIVIERA

On June 12, EMO transformed the Riviera Central Garden into a lively hub of culture and connection, as residents gathered for an unforgettable Dragon Boat Festival celebration.

The afternoon was filled with hands-on traditions that appealed to all ages. Eager hands wrapped fragrant bamboo leaves around sticky rice and fillings to make zongzi, while others crafted aromatic wormwood decorations — a cherished custom believed to invite good health and keep misfortune at bay.

Laughter drifted through the garden as neighbours chatted, shared stories, and discovered new friendships over age-old traditions. More than a cultural tribute, the event was a beautiful reminder of what brings us together: curiosity, warmth, and a sense of belonging.
